Dear Mr. Weiler:

I'm sending this message to express my thanks and appreciation. On June 25 one of your crews, led by Steve Simpson and Huy Nguyen, installed some steps, a retaining wall, and a gravel driveway in my yard. The work is well done. I especially want to thank Huy for returning on June 30 to fill in a few places with more 21A and to spread a little more grass seed in a couple spots. I appreciate his hard work and careful attention to detail.

Sincerely,

Bill Ancker
